Trainer's Profile

Ivan is a psychologist with over 40 years of practice experience. He is also an International Trainer and a two-time #1 Amazon Bestselling Author with his children's book, *The Amazing Adventures of Doug Dragster* and *Happy Parenting: Raising Positive and Empowered Kids*. Ivan is also a Senior Faculty member of The William Glasser Institute.

Ivan is passionate about understanding and managing behaviour holistically and practically and focuses on positive psychology that enhances quality in all areas of life. Ivan is the founder of the Get Happier Project, which was researched and trialled in the Los Angeles School District in California, and is now being implemented in schools in Australia, New Zealand and Asia. His work has helped countless clients create a happier life for themselves and their families, and trained thousands of people.
