

Choice Theory and Reality Therapy

Basic Instructor Program Training 1

11-14 Aug 2022

7.30am to 12.30 pm (Zoom)

Fee: \$ 1500

Approved Senior Instructors of WGI :

Michael Fulkerson & Ong Kwee Hiong Clare

Training 1 Phase is the 2nd step to be a Basic Instructor of CTRT

Mr. Michael Fulkerson currently serves as the Senior Director of Therapeutic Community Support Services at RiverValley Behavioral Health in Kentucky USA. He is a Licensed Professional Clinical Counselor who received his M.A.E. in mental health counseling from Western Kentucky University and his B.A. in psychology from Kentucky Wesleyan College. His past work experience has included therapeutic foster care, domestic violence and substance abuse counseling, inpatient therapy, and outpatient therapy. Currently, he is a senior faculty member of William Glasser International.

Previously, he has served as adjunct faculty at Lindsey Wilson College. He has authored two books and published several articles in academic journals. In 2011, he received the *Outstanding Community Service Award*, from Lindsey Wilson College.

(He is highly recommended by Dr. Robert Wubbolding.)

Ong Kwee Hiong Clare Ph.D., APA (Full member); SRP(Supervisor); SAC (Master Clinical Supervisor) is a psychologist since 1991, with extensive experience in working with children, adolescents, adults and families. Her past work experience includes Head of Science in CHIJ Victoria Street, Senior Educational Psychologist at the Ministry of Education, School Psychologist in USA, and adjunct lecturer in NTU; NIE and SUSS. Currently in private practice, she provides psychological/counselling services and clinical supervision for Masters students in counselling and psychology. She is a Senior Faculty member of WGII and has been an instructor of faculty programs since 2005.
