

# CHOICE THEORY & REALITY THERAPY CERTIFICATION

This CTRT Certification is based on the concepts of Dr. William Glasser. Participants share knowledge and skills through a brief presentation and role-play. This program is specifically designed to help improve relationships with your clients, increase client engagement, encourage decision-making, and foster creativity. Participants will also experience increased responsibility, and develop self-evaluation tools while learning to offer effective feedback and enjoy their work.

## ABOUT OUR TRAINERS

**Anthony Wong** is a registered clinical supervisor and a certified addiction counsellor in Singapore. He has experience working with clients in community and hospital settings. He is currently pursuing his PhD to specialise in trauma and crisis counselling. His mission is to create a world without conflict where everyone is trauma-sensitive, and he believes that it takes a community for that to come true.

**Edmund Chong** is currently a counsellor, supervisor and speaker in private practice. He has been a recognized Practicum Supervisor and Instructor at William Glasser Institute International since 2021. As an experienced school counsellor, he has been working extensively with youth and adolescents. Till today, he continues to be involved with the school setting. He actively volunteers and mentors youths and adolescents from various organisations.
