

Choice Theory/Reality Therapy Advanced Training

29 June to 1 July 2024 (24 Hours)

The third step in the process leading to CTRTC . This 3 day program brings participants from various professions together to gain new knowledge and demonstrate the skills learned throughout the previous steps. Together you will share experiences, offer short presentations and learn new ways to implement reality therapy, choice theory and lead-management. At the conclusion of the training you will receive a certificate with the designation of Choice Theory/Reality Therapy Certified (CTRTC)

**Prerequisites: Completion of WG International approved
Basic intensive training and practicum**

Workshop Instructor – John Brickell D.C.

John Brickell is a senior faculty member of the William Glasser International and WGI-UK organisations, and has taught workshops in North America, the Far East, the Middle East, in several European countries, and throughout the UK. John is the co-author (with Dr Robert Wubbolding) of two books on Choice Theory/Reality Therapy and has extensive experience applying Choice Theory / Reality Therapy in both counselling & coaching environments, initially in drug and alcohol addictions, and now more comprehensively as a counsellor/coach. He is also a certified practitioner working in association with the 'SIRPA' organisation – dedicated to the recovery/healing from psychophysiological distress, trauma and chronic pain. John is also a qualified chiropractor, which as well as providing some 'backbone' to the other areas in which he works, also complements the mind-body-spirit approach he brings to Choice Theory Psychology and Reality Therapy

*"You cannot make anyone do what he or she does not want to do.
We can only teach him a better way and encourage him to try it."*
