Presents:

CHOICE THEORY & REALITY THERAPY

Basic Intensive Week

(16 - 18 December 2024)

9am - 6pm

This 3 days intensive course will focus on demonstration, role-play, self-evaluation and feedback. Participants have an opportunity to learn and practice the procedures that lead to lasting change and can apply these ideas and techniques straight away. Participants will get a firm grasp of Choice Theory and how we can make significant differences in our lives, as well as help others to find ways of making more effective choices in their own lives.

Participants will receive official certificates from William Glasser Institute (Singapore).

Mode of Delivery:

Participants will be involved in the classroom learning, demonstration, self-evaluation, role-plays and feedback.

Venue: CANA, The Catholic Centre, 55 Waterloo Street, #02-00, (187954)

Prerequisite: None

Cost: SGD 850.00 (closes on 25th Nov 2024)

Attendance:

Participants are expected to meet 100% class attendance to be awarded the Basic Training Certificate by the William Glasser Institute (WGI). This training is the first of the five stages in the certification process.

Who Should Attend:

Counsellors, Social Workers, Psychologists, Therapists, Nurses, Helping Professionals, Managers, Educators and Parents.
